

How to Copy Photo/Video Link

For the best way to submit photos and video, please use the instructions below. This helps ensure we receive high-quality images efficiently and can organize them for future use. Submissions may be featured on a wide range of platforms, including our social media pages: Facebook, LinkedIn, Instagram, and TikTok, or used in promotional materials such as ads, newsletters, and on our website. The Communications Team will determine the best placement, whether in a social media post, reel, photo album, highlight, story or other formats. If you have any questions or need assistance, please don't hesitate to reach out to the [Communications Team](#). We're here to help!
